## There's 13 School Days Left!

Yes, you read that correctly! Excluding Saturdays and Sundays, there are ONLY 13 days left of your sophomore year!

It's not too late to turn things around. Keep submitting those assignments and if you have some extra time, go back and complete any missing assignments you may have. Everything counts! We are so close to being half-way done with high school, **let's finish strong!**

## Summer Registration

Many of you have been inquiring about Summer registration and Summer school this year. We are still fine-tuning all the details so please just hang on tight! Don't worry, you haven't missed anything!

We will let you know once we have an update!

## It's time to start thinking about your Senior Project!

Your Summer To-Do List:

- Look at Senior Project Website (on Student Links Tab of Helix webpage).
- Discuss project options and view list of Projects Not Allowed on the attached sheet and/or Senior Project Website.
- Brainstorm potential consultants (**cannot** be a family member).

Email Mrs. Gibson or Ms. Shaw with any questions: [gibson@helixcharter.net](mailto:gibson@helixcharter.net) or [kshaw@helixcharter.net](mailto:kshaw@helixcharter.net)

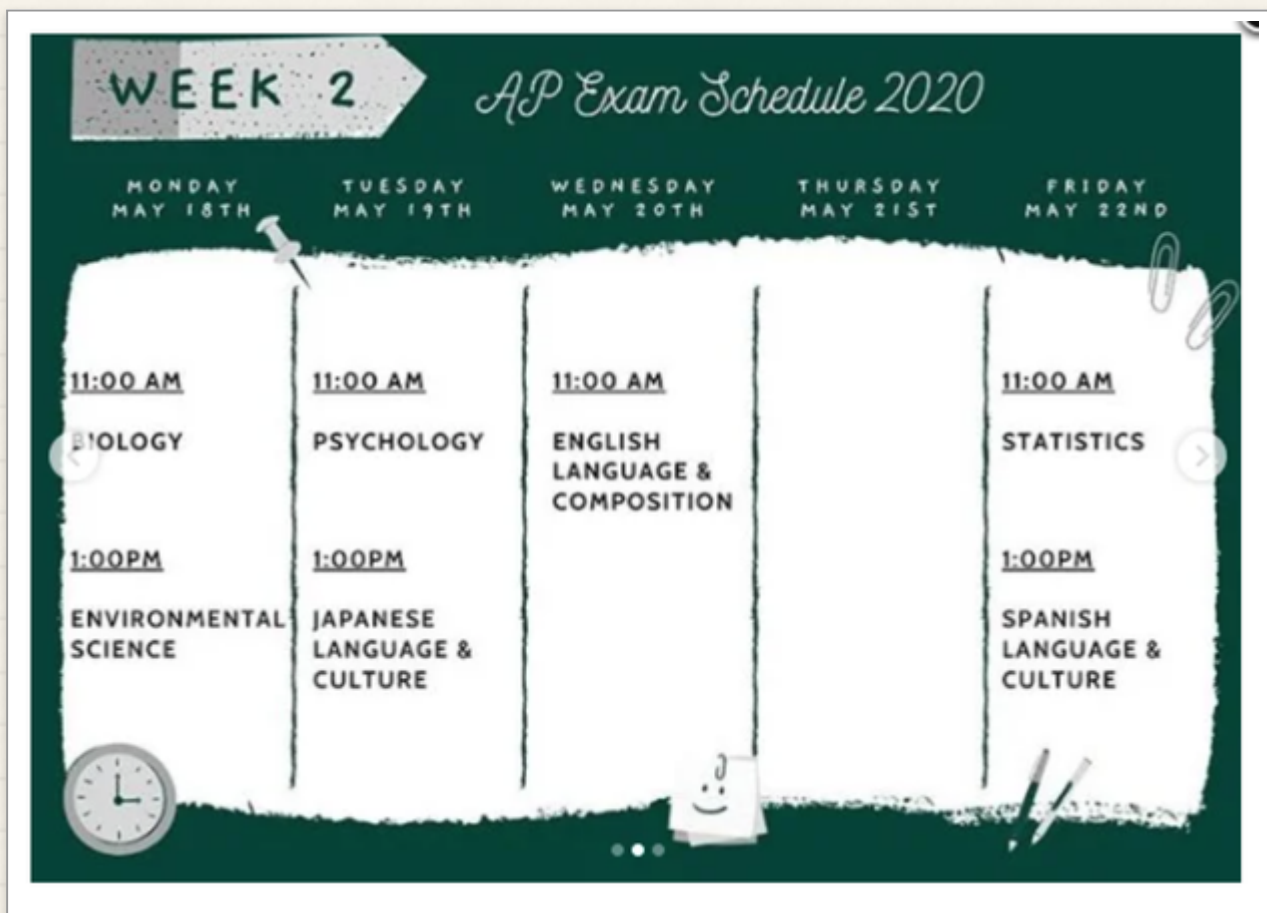

**Yearbooks are still on sale!**

There are less than 100 yearbooks still up for sale! Once they're gone, they're gone!

To order your copy:

- Visit [Helixcharter.net](http://Helixcharter.net)
- Click on Webstore (One of the top few tabs, between "Webmail" and "Contact Us")
- Scroll down to the **Departments** section and click on "General"
