

RESPONSIBLE

November 5th-November 30th

We are already presenting our 5th word in our theme.

Reminder: We are utilizing a Character Counts kind of education with 12 words we would like to emphasize with our students throughout the year. Every three weeks we will present the word to students and families.

The fifth word is:

RESPONSIBLE: having an obligation to do something; morally accountable for one's behavior

We are responsible for ourselves, our actions and outcomes; collectively we are responsible for supporting one another and creating a better world

What can you do to make this happen:

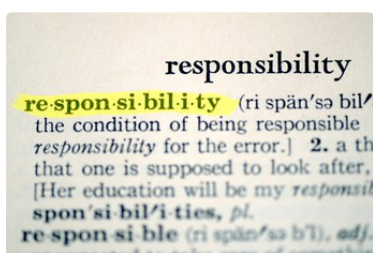

- Post the term definition in your classroom/work area (Cardstock Copies in front office or email if you need one delivered)
- Discuss the term and definition; give some examples
- Review the quote in the Daily Announcements
- Show videos if you have the opportunity
- Share examples of your own
