● SOPHOMORE INTERVIEW - DIGITAL PORTFOLIO

- We will begin working on your Sophomore Interview today, I know you are ALL excited and have been waiting for this day ;)
 - One of the components of the project will be to create a digital portfolio which almost all of our students have created.
- The first component of the digital portfolio is your About Me Page.
 - Please make a copy of the About Me Page (<http://bit.do/gettingtoknowme>) & save it in your Sophomore Interview Portfolio folder that you created last year in Helix First- It should be in your Google Drive.
 - The SHARE settings for the About Me Page should be on:
 - **ANYONE AT HELIX CHARTER HIGH SCHOOL WITH THE LINK CAN VIEW.**
 - The title of this document should be:
 - **DP: Getting to Know Me (19-20)**
- Please use the rest of the time today to work on this document.
 - Please change the Scottie Dawg picture to a school appropriate picture of yourself.
 - Remember this is the first page people will see when they look at your Digital Portfolio, please be thoughtful in your response.
