

RESPECTFUL

October 15th-October 30th

The year is in full swing and we are moving to our 4th Character word.

Reminder: We are utilizing a Character Counts kind of education with 12 words we would like to emphasize with our students throughout the year. Every three weeks we will present the word to students and families.

The fourth word is:

RESPECTFUL: feeling or showing due regard for the feelings, wishes, rights, or traditions of others

- *Respect yourself, your community, your world*

What can you do to make this happen:

- Post the term definition in your classroom/work area (Cardstock Copies in front office or email if you need one delivered)
- Discuss the term and definition; give some examples
- Review the quote in the Daily Announcements
- Show videos if you have the opportunity
- Share examples of your own
