

IMAGINATIVE

September 2018

The year is in full swing and we are continuing our work towards SUCCE22. Our second theme is "Imaginative".

Reminder: We are utilizing a Character Counts kind of education with 12 words we would like to emphasize with our students throughout the year. Every month we will present the word to students and families.

The second word is **IMAGINATIVE: having or showing creativity or inventiveness**

- *Goal Setting; where do you imagine yourself - end of quarter, end of year, in 5 years; there is no limit to what you can accomplish - must simply set the goal and work toward it.*

What can you do to make this happen:

- Post the term definition in your classroom/work area
- Discuss the term and definition; give some examples
- Review the quote in the Daily Announcements
- Show videos if you have the opportunity
- Share examples of your own

HANDOUTS

Since we like to work as a team, Ms. Markey will be distributing the "words" every quarter. You should have received your first three "word" a few weeks ago. If you did not receive one and would like one, please feel free to contact Danika Markey: markey@helixcharter.net

Thank you for posting the word or newsletter in your room.
