TODAY'S ACTIVITIES (as time allows)

- Now that students have started working on their College Fair project in Helix First.. We want to hear all about it!
  - Have your students share a fact about the college [or colleges] that is the focus of their project.
    - Ideas:
      - What is their most popular major?
      - What is something that surprised you?
      - What is the school's mascot?
      - Have you learned about any unique traditions/urban legends about the college?
      - Would you want to attend this school? Why or why not?

REMINDERS:
