- **SOPHOMORE INTERVIEW - DIGITAL PORTFOLIO**

- We will continue working on your Sophomore Interview today. I know there were a few questions last week so I added a few FAQ's below.
- The first component of the digital portfolio is your About Me Page.
  - Please make a copy of the About Me Page (<http://bit.do/gettingtoknowme>) & save it in your Sophomore Interview Portfolio folder that you created last year in Helix First- It should be in your Google Drive. The folder should be titled "Portfolio".
    - The SHARE settings for the About Me Page should be on:
      - **ANYONE AT HELIX CHARTER HIGH SCHOOL WITH THE LINK CAN VIEW.**
    - The title of this document should be:
      - **DP: Getting to Know Me (19-20)**
- Please use the rest of the time today to work on this document.
  - Please change the Scottie Dawg picture to a school appropriate picture of yourself.
  - Remember this is the first page people will see when they look at your Digital Portfolio, please be thoughtful in your response.

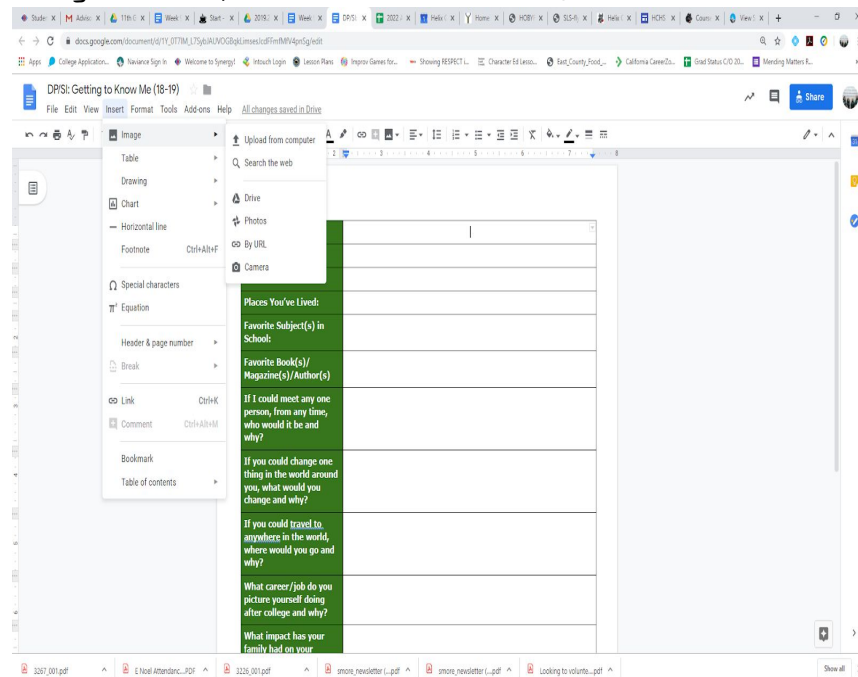

**FAQ's**

1. **Where do I put my "About Me Page"?**
  - a. If you DID NOT make a digital portfolio folder last year please take a minute to create a folder in your drive titled- "PORTFOLIO". In that folder you will add your "About Me Page", as well as any other materials such as; Digital Portfolio, work you want to showcase, etc..
2. **What if I have not created a Digital Portfolio because I missed that day(s) in Helix First last year or I am new?**
  - a. We will be going over how to create your Digital Portfolio in week 4. Be patient, we got you!
3. **How do I change the picture of the Scottie Dog on the "About Me Page"?**
  - a. In order to change the picture all you have to do is click on the scottie dog and it will put a square around it like the image

below ↓ ↓ ↓ ↓ ↓ ↓ ↓

- Once you have the square around it just click DELETE and it will be removed. To add YOUR picture, click on Insert on the top of the page then choose where you will get your image from. Remember to keep the cursor in the same field you want the image in.
- Remember, it's not all about your picture. Please have thoughtful responses for all of the questions
