

RESOURCEFUL

October 2018

The year is in full swing and we are moving to our 3rd theme.

Reminder: We are utilizing a Character Counts kind of education with 12 words we would like to emphasize with our students throughout the year. Every three weeks we will present the word to students and families.

The third word is:

RESOURCEFUL: having the ability to find quick and clever ways to overcome difficulties

- *Knowing and confidence to take advantage of what's being offered; know the options*

What can you do to make this happen:

- Post the term definition in your classroom/work area
- Discuss the term and definition; give some examples
- Review the quote in the Daily Announcements
- Show videos if you have the opportunity
- Share examples of your own
