REMINDERS

- 4 DAY WEEKEND

- No School on Friday, 2/15/19 & Monday, 2/18/19
- This is the PERFECT OPPORTUNITY to take care of some community service

ACTIVITY

This week we will be working on TWO brief activities.

1. EDGE LAB: Students are currently working on creating supporting material to use at the upcoming College Fair, i.e. creating designs, stickers, etc. Have your students show you their designs as well as take the time to suggest what would look good. Also, please visit the EDGE lab link found on the Student tab of our Home page (we added the EDGE link on Tuesday, it was not easy to find previously)
2. Scholarships: It's never too early to start searching for scholarships. Please take a few minutes to walk through "How to search for Scholarship" short presentation.
