Sophomore Interview [Bell Schedule for 2/27/19](#)

College is for ME (not to be confused with College 4 ME) has an upcoming FREE conference scheduled for March 16, 2019 from 9 to 1
Program information attached in email

This conference is scheduled for Saturday, March 16, 2019 from 9 am to 1 pm. The conference is for middle/high school students and their families. The conference will be held in the USU Ballroom at CSUSM and our three breakout sessions will be in nearby classrooms. We will have various breakout sessions. The College Is For Me conference is designed to demystify the inaccessibility of higher education for members of marginalized populations in our society. This conference is an opportunity for people who have never considered college to learn how higher education can be a means for self-empowerment.

It is highly encouraged that guests register for the event, so we have a headcount for breakfast, lunch, and t-shirts. You can even register a group of 50 people or individually. You can register for the event by visiting:
